PROFESSIONAL SUMMARY

Computer Science student at Lewis University with hands-on work experience. Seeking a software development internship to apply classroom knowledge, strengthen technical skills, and gain real-world experience in the field.

EDUCATION

Bachelor of Science, Computer Science, Lewis University   **August 2023 - Present**
● GPA: 3.97/4.0
● Dean's List: 5 Semesters
● Recipient of the Dennis and Geraldine Tonelli Foundation Endowed Scholarship for the 25-26 School Year.
● Nominated for the 2023 Lewis University Lasallian Scholarship Program due to academic excellence.

INTERNSHIPS

ChattyNotes, Inc., Newark, DE
Software Engineering Intern,   **March 2025 - Present**
● Engineered and integrated third-party applications (e.g., Zoom) into ChattyNotes' LLM-powered productivity platform, enabling seamless meeting-to-insight workflows and improving user collaboration efficiency.
● Developed and optimized Supabase-based authentication and prompt-engineering pipelines, enhancing security, scalability, and accuracy of AI-generated meeting summaries and task recommendations.

PROJECTS

Personal Website | www.romanlewis.dev | github.com/rplewi/PersonalWebsiteV3   **August 2025**
● Designed and developed a responsive personal portfolio website using React and Tailwind CSS to showcase academic background, technical projects, and career goals.

Developer, ChattyNotes | https://www.chattynotes.io/ | **February 2025 - Present**
● Developed an AI-powered web platform, *ChattyNotes*, that transforms meeting recordings into actionable insights using advanced LLMs and prompt engineering.
● Collaborated with a multidisciplinary team to build a productivity platform integrating AI transcription, task extraction, and intelligent recall features.
● Engineered scalable front-end and back-end systems enabling seamless user workflows and real-time AI interaction.

SKILLS

Programming Languages: Java (Proficient), Python (Familiar)
Technologies: GitHub, Microsoft Office, Google Workspace, Kali Linux, Virtual Box
Web: HTML, CSS, JavaScript (familiar), React, Tailwind CSS, NextJS
Hardware Systems: PC, Mac, Virtualization
Operating Systems: MacOS, Windows, Linux

WORK EXPERIENCE

Custodian, Will County School District 92   **June 2021 - Present**
● Maintained the cleanliness of the building according to district standards for an assigned 9 rooms.
● Worked collectively with 20+ staff to establish well-running classrooms and events
